

Vodafone Offer for IHI Members

PROFILE

Vodafone is a leading communications provider with over 2.25 million customers in Ireland. With the latest handsets, great value international rates and independently verified as the best network for data, you can retain quality while also being cost effective. It is no wonder over 50% of all Irish businesses are Vodafone customers.

Vodafone offers a wide range of monthly mobile plans as well as fixed line and broadband products. As part of the IHI Affinity Scheme, Vodafone would like to offer all members double minutes and double texts on selected Perfect Choice and Perfect Choice Access plans for a limited time only.
