

Replacing Recession with Recovery- The New "R" word

Confidence in Action under its umbrella introduces "Routes to Recovery".

Routes to Recovery aims to address the problems and questions individuals and businesses have about their current situation in these challenging times. The forum will bring options to individual's and SME's in order to help them navigate their way through current issues.

So if it's ever crossed your mind that you'd like to start up your own business, expand the business you have, change it altogether, or wondered what new skills or retraining you need - then this is the event for you. Go along and see what's happening and what's available for you. Everyone is there with one main goal in mind - to be part of the economic recovery of the country.

The nationwide series of recovery forums, will begin on the 10th September in The Burlington Hotel, Dublin

One big difference that sets us apart is that we will get to approx approximately 10,000 people. This is a "Not for Profit" event.

The charges for the event are as follows:

Exhibition charge: €5

Business Breakfast Network: €30

"Steps" seminars: €10 for 1 or €25 for seminars 2-6
