

Part-Time Hospitality

Management Undergraduate Programmes Commencing in October 2020

TUDublin, Cathal Brugha Street Campus (to be relocated to the new Grangegorman campus in 2021), are now offering part-time Hospitality Management programmes commencing on October 5th 2020. Delivery of the programmes will combine both online and elements of in-class tuition.

The part-time Hospitality Management programmes at TU Dublin are suitable for people who have experience in the hospitality industry and who wish to gain a qualification, are seeking promotion, or are seeking management positions in the sector. Our programmes are also open to mature students returning to learning, people seeking a career change, people seeking to 'start your own business' in the sector, or people seeking to develop their existing hospitality businesses. All applications are made directly to TU Dublin. Recognised Prior Learning will be taken into account on all applications.

TU150

– BA (Ord.) Hospitality Management Studies (Level 7)

The overall aim of the BA Hospitality Management Studies is to prepare learners academically and professionally leading to employment at management level in the dynamic world of the hospitality industry. This is achieved through a comprehensive programme designed to be challenging and fulfilling in an environment which focuses on the individual learner as an active participant in his/her own learning. Further details can be found [here](#).

Commencement date: 5th October 2020

Fees: €1,505 per year

TU153

– Higher Certificate in Hospitality Management Studies (Level 6)

This is a two-year programme in Hospitality Management Studies which provides opportunities for individuals who wish to pursue a career in management in the hospitality industry. It is aimed at complementing the practical experience gained by individuals working in the industry, with an academic focus in college.

The programme leads to a TU Dublin Level 6 Higher Certificate award with graduates also obtaining membership of the Irish Hospitality Institute. Graduates can also apply to gain entry into the final year of the BA in Hospitality Management (TU150). Further details can be found [here](#).

Commencement date: 5th October 2020

Fees: €1,505 per year

TU154

– Higher Certificate in Hospitality Management Studies (Level 6)

This two-year part-time TU Dublin Higher Certificate programme gives graduates an in-depth knowledge and insight into all aspects necessary to manage and run a successful hospitality business or to develop a career in the sector. Completion of the programme provides participants with a strong foundation in current management practices and trends. The programme will provide students with the knowledge, skills and competencies for operational, supervisory and management roles in the global hospitality sector. Graduates can also apply to gain entry into the final year of the BA in Hospitality Management (TU150). Further details can be found [here](#).

Commencement date: 5th October 2020

Fees: €1,505 per year

Part-Time Post-Graduate Programmes Commencing in September 2020

These three programmes are designed to provide participants with the expert knowledge and skills necessary for a successful career at senior management level in any sector of these vibrant industries. All programmes are conversion that are designed for students non-related academic and professional backgrounds. Commencing October 5th.

TU369 - MSc in Hospitality Management (Conversion)

Full details can be found [here](#).

TU367 - MSc in Event Management (Conversion)

Full details can be found [here](#).

Fees: €1,935 Year 1 / €3,735 Year 2

TU371 - MSc in Tourism Management (Conversion)

Full details can be found [here](#).

Fees: €1,935 Year 1 / €3,735 Year 2

Full-Time Undergraduate 1 Year Hospitality Management

TU958– Higher Diploma in Hospitality Management

This one-year conversion programme provides an opportunity for students who have successfully completed an ordinary degree (level 7 – NFQ) or honours degree (level 8 – NFQ) in a different discipline, to attain an honours degree (level 8 – NFQ) equivalent in a further single year of studies. The individual modules run in conjunction with existing modules on our degree programmes. The offering of the Higher Diploma in Hospitality Management programme further develops the learners' key skills, their strategic ability and introduces learners to the hospitality management discipline. The three-month industry placement forms an integral part of this programme. Further details can be found [here](#).

Commencing October 5th.
